A rare grape variety especially in Washington State, this wine demonstrates a bright ruby color, base to the rim. Aromas of raspberries, Bing cherries, and light vanilla lead into a similar rich palate. Subtle tannins, slight acidity and a pleasant balance of light vanilla and red berries make this a pleasantly approachable wine. The wine is fantastic on its own, or you can enjoy it with fried or grilled poultry, mild red chile rich (New) Mexican cuisine or a hearty Holiday dinner. Our Graciano is our “New World” styled contribution to our portfolio. Look for more bright fruit aromas and flavors in this wine than in our “Old World Style” Tempranillo
