Our off-dry Rosé of Garnacha Tinta is our “social sipper.” It’s a refreshingly enjoyable wine to enjoy anytime. This rosé wine flaunts a captivating, crystalline, pink rose color. Aromas of roses, strawberries, raspberries, and white peaches lead to a palate rich with strawberries, pink grapefruit, and fresh pomegranate. Dynamic fruit notes and a pleasant light sweetness balanced by a crisp acidity make this an easily approachable wine. The wine is deliciously refreshing on its own, or pairs well with spicy foods such as slightly spicy salami, including Spanish Salchichon or dry chorizo, or Italian Pepperoni. Good cheese pairings are in the slightly acidic Swiss family like Emmentaler or Gruyere. Served chilled (14C ~ 57F), this off dry rosé also pairs amazingly well with spicy nachos, enchiladas or most any spicy cuisine. Indian curriy or vindaloo anyone? (It’s also uh-mazing with Buffalo or other hot wings or spicy Thai.) It’s great with light snacks or fried chicken, and of course, it’s brilliant when shared with friends. Our favorite pairing? Spicy finger food and an ample table surrounded with friends!
