pH: 3.27 TA: 0.71

Bottled 02/11/2022

Production: 1224 bottles (102 cases – 750mL)

Suggested Retail Price: \$16.00/bottle 750mL

This off-dry Rosé of Garnacha Tinta is a special blend of two vintages of our rosé. It was an experiment by our winemaker to develop a rosé wine with a bit more complexity than our usual single vintage wine. It's a great wine to enjoy anytime. This rosé wine shines with a beautiful clear, salmon pink color. Aromas of strawberries and ripe melon lead to a savory palate with notes of strawberries, pink grapefruit, and fresh honeydew melon. Aromatic fruit notes and a barely perceptible sweetness balanced by crisp acidity make this a wonderful wine to pair with spicy, salty foods on a meat and cheese picnic platter with crusty sourdough bread. Served slightly chilled (14C ~ 57F). Its brilliance shines best when shared with friends. Our favorite pairing? Salty finger food and an ample table surrounded by friends!

Ruby Mag' will donate 50% of the purchase price to the Yakima Humane Society's Spay & Neuter Clinic. Local non-profit rescues will then have access to the funds for spay and neuter services. Our hope is to help with the animal overpopulation issue in the Yakima Valley and improve the futures of all the animals.
