Our off-dry Rosé of Garnacha Tinta is our “social sipper.” It’s a refreshingly enjoyable wine to enjoy anytime. This wine demonstrates a beautiful pink rose color. Aromas of lime twist and strawberries lead to a palate rich with strawberries and fresh pears. Subtle fruit notes and a pleasant light sweetness balanced by a crisp acidity make this an easily approachable wine. This wine is enjoyable on its own, and also pairs well with spicy or salty foods such as slightly spicy salami, including Spanish Salchichon, or even Italian Pepperoni. Good cheese pairings are in the slightly acidic Swiss family like Emmentaler or Gruyere. Served chilled (14C ~ 57F), this off dry rosé is a perfect sipper on its own, or pairs amazingly well with red chile enchiladas or other spicy cuisine (Buffalo Wings or spicy Thai!). It’s also great with light snacks or fried chicken. Our favorite pairing? Spicy nachos with good company, yes please!
